

ZeroFLW Business Ecosystem

Purpose

The ZeroFLW Business Ecosystem Group will support the ZeroW project through commercial outreach and exploitation strategy by acting as a commercial ecosystem, constituted by pertinent and relevant sectoral actors in FLW.

You will have access to an online community where you can create synergies and interact with a wide range of stakeholders who share a common interest to learn and exchange information about the needs and solutions for FLW in the market and an opportunity for potential collaborations/ partnerships.

Enrolled Members

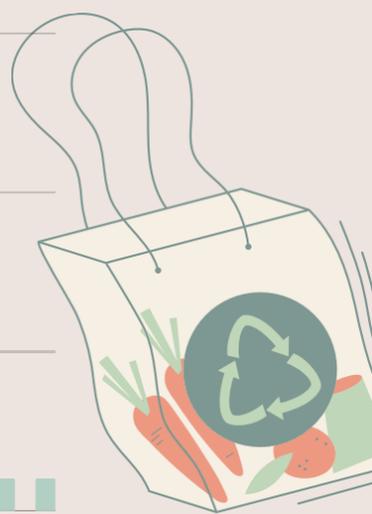

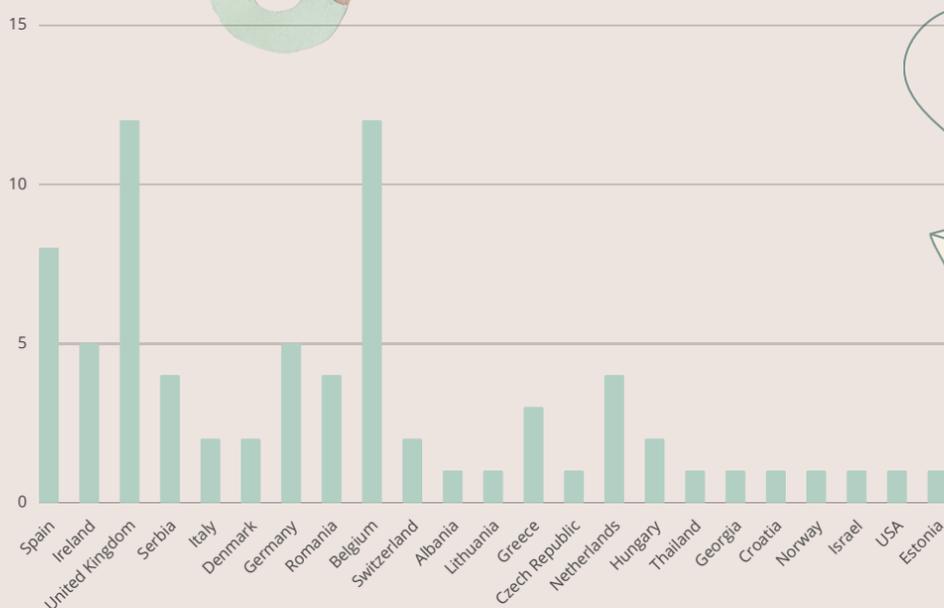

78 members

out of which

- 31 ZeroW project partners
- 2 Advisory Board members

Demographics

Meetings

The ZeroFLW Business Ecosystem Group meets bi-monthly to discuss thematics focused on FLW.

- **66 participants** attended the Kick-off meeting; and
- **40+ participants** attended the first bi-monthly meeting to discuss Food Loss Waste Monitoring and Assessment

Benefits of joining

- Be part of a closed LinkedIn group just for members of the ZeroFLW Business Ecosystem to engage in networking, and synergies & be part of discussions with the right partners and peers;
- Contribute to finding and presenting solutions that may answer the needs in the market to get a better insight into the needs of the FLW market through the exchange of information;
- Learn first-hand about relevant FLW innovations that have been piloted in the ZeroW project so you can find new ideas that can help your business to reduce or valorise the FLW.
